A Festive Hill Country Evening  
for the Dr. Pound Historical Farmstead

\* \* April 29, 2011 \* \*

6:30 - 10:30 p.m.

*“We cannot prepare the youth of Dripping Springs for the challenges of tomorrow without teaching them the lessons of yesterday. The Dr. Pound Historical Farmstead is a vitally important educational tool in understanding and appreciating our community’s unique history.”* -Steve Benesh, former President, DSISD Board of Trustees

## Your invitation, your opportunity:

You are invited to sponsor one of Dripping Springs’ most important events and touch the heart and soul of this community. By participating in this premier experience you can support our area’s greatest historical treasure and put your message before the public at the same time.

The Dr. Pound Historical Farmstead museum exists because of the collective effort and support of local businesses, people and organizations throughout the area. Their partnership has made restoration of this unique and valuable legacy possible.

## Enjoy a celebratory evening of libations, food, music, fun and good friends:

**Wine Tasting:** Savor select wines representing a global perspective complimented by a plentiful assortment of appetizers.

**Beer Tasting:** Sample choice beers from large and boutique breweries especially chosen by local connoisseurs.

**Silent Auction:** Browse a tempting array of special items and compete for things you can’t live without.

**Gourmet Dining:** Indulge in a lavish buffet dinner prepared by widely recognized area chefs.

**Live Auction:** Respond to the auctioneer’s call and bid on some sensational “high-end” items.

**Music and Dancing:** Tap your foot to a variety of new and old musical selections.

## What your contribution buys, what your support means:

Your tax-deductible contribution works in several ways: you support the Dr. Pound Historical Farmstead museum, you gain the appreciation of the museum family of supporters and the community, and you insure that the mission of this historical treasure continues to grow. *(continued)*

Benefiting the Dr. Pound Historical Farmstead Museum

Dating to 1854, the Dr. Pound Historical Farmstead was the home of one of the community's first families. Now open to the public and school children, visitors from far and near come here to study, experience and enjoy early Texas life. When you enter the five-acre farmstead you step into the lives of a pioneer family. You walk into their original log cabin, later incorporated into the current, restored dog-trot house filled with preserved family furniture and heirlooms. Leaving the house, you stroll among ancient oaks to view authentically restored farm buildings and vegetable, herb and flower gardens.

Your sponsorship of this year's Heritage Gala will help preserve this valuable community resource, expand opportunities for meaningful educational programs and cultivate activities for children and adults of all ages.

*This year, more than ever, we need your support!*
